

Equipping Communities with Mental Health Education

Is your community ready?

Let us help you get there.

- 20% of our population experiences a diagnosable mental health illness each year and 50% will in their lifetime.
- Our programs support the entire spectrum of mental wellness from prevention → treatment/support → recovery.
- We work with all communities, including faith communities, community centers, health care organizations, businesses, chaplaincy groups and more.
- Services
 - Certify facilitators to deliver workshops
 - Offer virtual public workshops
 - Provide free online resources
